FOR IMMEDIATE RELEASE

**LEHI FIRE DEPARTMENT CAPTAIN RECEIVES 2014 HEROES RECOGNITION
AWARD FROM AMERICAN RED CROSS**
Mayor Bert Wilson to Present Award

Lehi, Utah | March 13, 2014 – The Mountain Valley Chapter of American Red Cross held its annual Heroes Recognition Event at Utah Valley University. Among the award recipients this year was Lehi Fire Captain Jake Beck. Captain Beck was recognized for providing lifesaving skills to Jude Horman after Jude was located at the bottom of a community swimming pool. Initially purple and not breathing, little Jude was handed to Jake, who happened to be at the pool with his kids. Jake immediately used his training to begin to revive him. After a short round of Cardio Pulmonary Resuscitation (CPR), Jude began to breathe on his own. Jake's years of training were put to good use during this rescue.

According to Jessica Egbert, Board Chair—American Red Cross Mountain Valley Chapter, the event is held each year to “recognize and honor the contributions of our community heroes that surround us daily and who have changed lives and saved lives through extraordinary courage, compassion, service, and sacrifice.”
